### MEMORANDUM

DATE: JULY 25, 1977  
SUBJECT: REFUSE DISPOSAL  
TO: ALL DEPARTMENTS OF THE CITY OF EAST CHICAGO  
FROM: ROBERT A. PASTRICK, MAYOR

Gentlemen:

In partial settlement of a lawsuit, the City of East Chicago has agreed with the Indiana Stream Pollution Control Board that it will immediately cease any dumping of any type of refuse in the old city dumps.

East Chicago's incinerator and shredder are in full operation. Refuse should be disposed of through those facilities.

City vehicles should not be in the dump area on any but official business.

East Chicago is preparing a plan with the affected businesses in that area to restrict access to the dump.

Furthermore, increased police patrols will be in the area and anyone caught dumping will be arrested and prosecuted.
